

Press-release

Change of ownership structure in SKM Market Predictor

Scaent Holdings Cooperatie U.A sold it's 72.13% share in SKM Market Predictor to Myrtus Investment Limited. The transaction has been completed during the summer approved by all shareholders. Myrtus Investments Limited is a daughter company of Union Team Investment Limited (UTI). The core business of UTI is conducted within the energy industry and energy consulting. Apart from energy market, UTI intended to invest projects in alternative sectors that will enhance the diversity to the business.
